Welcome to UC Santa Barbara! The Campus Community has joined in an effort to make your stay a pleasant and rewarding experience. We hope you will take the opportunity to explore the campus and local area and that you will enjoy your stay at our seaside campus.

The UC Santa Barbara Campus

UC Santa Barbara is located in the Goleta Valley, ten miles north of downtown Santa Barbara. The 815-acre campus accommodates approximately 20,000 students. As a research-oriented University, UC Santa Barbara has extensive laboratory facilities and an exceptional 2.6 million volume library. The high standards of scholarship, attention to the individual student and a tradition of informality combine to make this campus a unique blend of academic excellence and individual enrichment.

The Santa Barbara Area

Santa Barbara is situated on the coastline, between the Santa Ynez Mountains and the Pacific Ocean. The geographic location and the ideal weather of Santa Barbara with its lovely beaches, parks and hiking trails, make it suitable for a variety of outdoor activities. The Channel Islands, 27 miles offshore, provide an additional resource for fishing, camping and university research. The Spanish heritage can be seen in the city's architecture and historic landmarks like the Santa Barbara Mission and the County Courthouse. Further information about the UC Santa Barbara Campus, local sightseeing, restaurants and entertainment can be found at the Service Desk in each Residence Hall.

Service Desk

A Service Desk, attended by a Guest Services Representative, is located in the lobby of each Residence Hall. Conference check-in and check-out (including distribution of keys and dining cards) take place at the Service Desk unless your conference has made other arrangements.
